

**Color-of-Law Violations Notice for:
CITY OF ORLANDO Operations at North America
Affidavit of Fact and Truth**

Notice to Agent(s) is Notice to Principal(s) and Notice to Principal(s) is Notice to Agent(s)

~~~~~ **Beginning of Statement** ~~~~~

I, **Ilhahi Ankaa Bey**, make this lawful affidavit to affirm the fact and truth that on July 13, 2021, during the evening hours of normal rest / sleep said ‘time’ for the average, natural person, I was approached by a CITY OF ORLANDO POLICE DEPARTMENT employee. The male employee refused to identify himself. Instead, he made unlawful and unreasonable demands upon myself, based upon false assumptions and premeditated insinuations that I was / am some Negro, Black, Colored, African-American, Indian, etc., persons, subject to NEGRO CODES stipulated by historical deception created by usurpers of the organic land operating at North America through corporate “States” (\*See *General Civil Orders – Issued by: Pope Francis back on June 10, 2014 as a public record*).

In the very instance of the CITY OF ORLANDO POLICE DEPARTMENT employee attacking myself by direct trespass upon my being and practicing ‘Color-of-Law’ upon myself under false pretenses of who I am, the CITY OF ORLANDO POLICE DEPARTMENT, operating through the CITY OF ORLANDO, corporate STATE OF FLORIDA, DUNS NUMBER (Dunn & Bradstreet): 004078374, registered indeed as a corporation, doing business at North America (misnomer UNITED STATES), ANY and ALL CITY OF ORLANDO and ORANGE COUNTY employees, citizens (public or private), contractors, foreigners, aliens, and other operatives have been placed at full liability for ANY and ALL injuries that I personally suffer henceforth as a direct or indirect result of their individual and / or collective willful negligence (or incompetence) committed by persons or agencies, by me, my self ‘In Propria Persona’, and I. Furthermore, it is to be made known that I refute any and all fraud openly or secretly propagated by unclean hands, malfeasance, and unauthorized administration against myself as an ‘Heir Apparent’ to the North Gate Estate / North America and ALL of its organic states inherited by the original “We the People – *Titles: El, Bey, Ali, Dey, Pasha,*” by the original Constitution for the united States of America (*for the Republic - \*See General Civil Orders issued by: Pope Francis*).

For the permanent record, I exercise my birthright to ‘self-determination’ upon my inherited land / estate, which has already been made clear by the very United Nations Declaration on the Rights of Indigenous Peoples (2007). Therefore, I choose to always be ‘In Propria Persona’, absent of any secret malfeasance attempting (or would attempt) to turn my proper, natural person into a corporation thus creating any type of straw-man (name or appellation in ALL Caps), corporate construct, ens legis (14<sup>th</sup> Amendment) citizen against myself by fraud and deception. In addition, I am fully aware that I can NEVER be a U.S. Citizen / US Citizen / USA Citizen by virtue of not only the original ‘*Treaty of Peace & Friendship / Amity and Commerce between Morocco and the United States – 1787*’, but by the very Constitution for the united States of America, which gave the modern European the privilege to do business (by commerce) at North America in honor of our *treaty* as the true Al Moroccan / American Nationals of the land (*referred to as “inhabitants” – \* See General Civil Orders*). And, with this in mind, I again declare and proclaim my true nationality as Moroccan. Notice of my national status (recorded in United States Congressional records under ‘**Truth A1 – AA222141 – Clock of Destiny – Moorish Credentials**’) has already been sent to all proper parties of interest, in harmony with the evidence records clearly posted on the website: [moorishnationpublicrecords.com](http://moorishnationpublicrecords.com), for anyone to witness and confirm for the record. Therefore, make no mistake that I claim all of my birthrights as an heir to my land / estate here at North America, near the corporate CITY OF ORLANDO, STATE OF FLORIDA and all COUNTY operations being conducted through the STATE OF FLORIDA.

In conclusion, ALL proper parties of interest (especially my national peers) have permission to uphold and enforce the original Constitution for the united States of America (for the true Republic / People), at any given point in said ‘time’, for my utmost protection and benefit, for any and all injuries that I personally suffer near the CITY OF ORLANDO, ORANGE COUNTY, STATE OF FLORIDA, and as I travel around the organic land misidentified as the STATE OF FLORIDA, near ANY STATE OF FLORIDA corporate Counties, collectively operating under the umbrella, ‘UNITED STATES’.
