6. Respondent(s) Juan Ortega, Michael Gilpin, Garrett M. Olsen, and Cecilia M. Altonaga is indebted to Claimant, Ilhahi Ankaa Bey, in the following manner:

Affidavit of Fact and Default Judgment Effectuation

From December 27, 2024 A.D. to December 30, 2024 A.D., I, Ilhahi Ankaa Bey, personally performed extensive private painting labor upon the interior of the housing Unit 13, for which is considered real property within COUNTY OF HIGHLANDS, STATE OF FLORIDA, CLERK OF COURT public records. The street location in relation to the real property is: 3900 Monza Drive, Sebring, Florida Republic. The Legal Description for the real property is: LOT 0620 BLK 2610 – SUN N LK SEB UNIT 13, PB 9 PG 71, Map ID: 25C.

The extensive physical painting labor performed upon the housing Unit, for which rests upon Parcel Number: C-04-34-28-130-2610-0620, as the private painting labor services performed remains uncompensated due to a cross-scam operation that consisted of a believed Contractor at the time the private painting labor was performed on the housing Unit 13, only identified by record of information provided, as: Catherine Hair, alleged Owner and operator of FRESH COAT PAINTING AND DRYWALL LLC. The initial scam-Contractor, Catherine Hair, lure myself via text messages to the real property under a false pretense of adequate financial / monetary compensation, simply for my professional and private painting labor services, after my having received an initial text message offer on December 25, 2024 A.D., from whom I believed at that time to have been Catherine Hair (whether it actually was or not).

Three (3) full days of extensive interior physical painting labor was performed within the housing Unit 13, consisting of mass touch-ups spanning approximately 3,000 square feet around the interior housing unit premises, consisting of the interior walls, which were

severely damaged by some sort of texture repair spray utilized by previous Contractors in what appeared to have been a part of a repair process to repair various holes all over the interior walls. What the repair scenario revealed, was that previous painting Contractors were more than likely hired to perform professional painting services, but due to some sort of altercation with the hiring party, it seemed as though the interior walls were intentionally damaged, as the housing Unit 13 was new construction and recently completed at the time of my visit. My personal and private painting labor services included vast repairs including “cut-ins” of poorly “cut-in” walls atop of the interior walls within the housing Unit 13. In addition, twenty-three (23) unfinished doors, door jams, and door trim within the housing Unit 13 were fully painted by myself, with two (2) full coats of semi-gloss white paint, to complete what an initial text message, from whom at the time, I believed was Catherine Hair texting myself directly during the paint project, with her stating to myself in her text message that her hiring me was for the “Final Paint”, as the person on the other end of the text communication stated in a text message directly to myself.

On December 31, 2024 A.D., once all of my private painting labor was completed on the interior of the housing Unit 13, I had arranged with whom I believed was Catherine Hair, to meet face-to-face with her alleged husband, Christopher Hair. Via ongoing text messages for the entire three (3) days that I started and finished the painting project, per what I was hired to do, dating from December 27, 2024 A.D. to December 30, 2024 A.D., with my having been forced to spend the night at the property for one (1) extra night. On December 30, 2024 A.D., I missed my Amtrak train back to my home area, due to my having finished my painting labor and did not receive a promised train ticket back to my home area, as promised by whom I believed was Catherine Hair via text messages. I also communicated meeting with whom I believed would be Christopher Hair on December 31, 2024 A.D. for my full compensation of 3,000.00 [USD] Federal Reserve Notes, as originally offered, via text message. Once I made the final arrangement with who I thought was Catherine Hair at that time, to meet with whom I believed would be Christopher Hair, I headed to the location where I arranged to meet up for my final compensation. As I patiently awaited at the arranged meet up location, the scam slowly began to unfold. I waited to meet up with whom I believed would be Christopher Hair for

approximately five (5) hours, texting back and forth between two (2) given phone numbers. One phone number was alleged to be for whom I believed was Catherine Hair and the other phone number was alleged to be for whom I believed was Christopher Hair during that time. However, I was stalled via ongoing text messages for hours and no one ever showed. When I finally had enough of the stalling delays, I called both numbers directly, only to quickly discover that both numbers had been instantly disconnected.

After my having been blatantly scammed by the con-artist(s), I immediately utilized the Construction Permit located at the real property and discovered the alleged Owner to the real property. Per COUNTY OF HIGHLANDS, STATE OF FLORIDA, CLERK OF COURTS Public Records, the land / parcel and housing Unit 13, was alleged to be owned by UNITY DEVELOPMENT INVESTMENTS LLC, Owned and Operated by Juan Ortega. I did immediately send a Notice of Intent to Lien to the alleged Property Owner(s) on January 3, 2025 A.D. via United States Republic Certified Mail. The United States Postal Service Certified Mail Article Number is: 9589 0710 5270 1685 3050 29. The notice was confirmed delivered on January 6, 2025 A.D.

An actual Mechanic's Lien / Construction Lien was filed by myself on January 21, 2025 A.D. due to the willful negligence of a blatant non-response from the alleged Property Owner(s) / Respondent(s). The Highlands County Filing Record for the Mechanic's Lien / Construction Lien is: 2240621.

A Certified Copy of the Mechanic's Lien / Construction Lien was mailed to the alleged Property Owner(s) / Respondent(s) on January 22, 2025 A.D. and a Proof of Service was created for the United States Postal Service mailing of the Mechanic's Lien / Construction Lien, mailed via United States Republic Registered Mail – Reference Number: RF430722507US. The Registered Mail mailing of the Mechanic's Lien / Construction Lien was confirmed delivered by United States Postal Service on February 3, 2025 A.D. In addition to the mailing of a Certified Copy of the Mechanic's Lien / Construction Lien directly to the alleged Property Owner(s) / Respondent(s), a Certified Copy of the Mechanic's Lien / Construction Lien was also mailed directly the said 'Management

Community’ for which the housing Unit 13 is registered to. SUN N LAKE OF SEBRING IMPROVEMENT DISTRICT is indicated as the said ‘Management Community’ and Michael (Mike) Gilpin is indicated as the Supervisor / President listed for the corporation. A Certified Copy of the Mechanic’s Lien / Construction Lien was mailed directly to Michael (Mike) Gilpin via United States Postal Service Priority First-Class Mail, Tracking Number: 9505 5157 8709 5029 8186 55. The Certified Copy of the Mechanic’s Lien / Construction Lien was confirmed delivered by United States Postal Service, to Michael (Mike) Gilpin at his address listed on the SUN N LAKE OF SEBRING IMPROVEMENT DISTRICT website on January 31, 2025 A.D.

To date, only an incompetent and blatant misrepresentation and WANT OF JURISDICTION letter was deceitfully mailed to myself by Garrett M. Olsen with VOSE LAW FIRM LLP, who claims to be the General Counsel for SUN N LAKE OF SEBRING IMPROVEMENT DISTRICT due to a copy of the Certified Mechanic’s Lien / Construction Lien having been mailed directly to Michael (Mike) Gilpin.

To date, no financial or monetary compensation has been received by myself for my private painting labor services performed upon the real property in question, identified by said [Street Address] as: 3900 Monza Drive, Sebring, Florida [Zip Exempt]. All parties / Respondent(s) involved blatant refuse to remedy the lawful matter, by completely satisfying the Full Debt owed to myself as the Lienor / Creditor upon my ancestral land / estate as an American native national in the matter here at North America, for the permanent record.

Since no financial / monetary compensation was offered or afforded to myself for my personal improvements upon the real property, with Legal Description: LOT 0620 BLK 2610 – SUN N LK SEB UNIT 13, PB 9 PG 71, Map ID: 25C, I am exercising my right to Seize the Deed for the real property, lawfully termed “*Al Seisin Deed*”, for the fraud and willful negligence that led to personal injuries against myself, which include but not limited to: United States Codes of Law – Title 18, Chapter 77, Part 1 – Peonage, Slavery, and Trafficking in Persons, United States Codes of Law – Title 18, Section 1593A –

Benefiting financially from peonage, slavery, and trafficking in persons (even if only intended), and United States Codes of Law – Title 18, Section 1589 – Forced Labor.

Over the course of the past year, I have been given the run-around in regard to mailing my Lawful Suit Action to the proper UNITED STATES DISTRICT COURT that handles Federal Law Cases for COUNTY OF HIGHLANDS, STATE OF FLORIDA, where the Mechanic's Lien / Construction Lien was filed under moral duress for lawful remedy, since I knew no other lawful recourse. I mailed my Lawful Suit Action to UNITED STATES DISTRICT COURT – SOUTHERN DISTRICT OF FLORIDA, with physical address: 400 North Miami Avenue, Miami, Florida Republic, United States Republic on September 9, 2025 A.D. It was the UNITED STATES DISTRICT COURT – SOUTHERN DISTRICT OF FLORIDA, where my Lawful Suit Action was supposed to receive lawful remedy, as a part of my right to Due Process by my Fifth Amendment Constitutional Rights within the United States Republic Constitution. However, it has been three (3) months, to date, and the UNITED STATES DISTRICT COURT – SOUTHERN DISTRICT OF FLORIDA CLERK OF COURT and / or Article III Judge, failed to respond to my Lawful Suit Action. Therefore, by Federal Rules of Civil Procedure, particularly Rule 55. Default; Default Judgment, I am entitled to a lawful Default Judgment for my claim, which in this matter, is none other than the full remedy per my original Mechanic's Lien / Construction Lien Suit Action to secure a Judgment against the real property with Legal Description: LOT 0620 BLK 2610 – SUN N LK SEB UNIT 13, PB 9 PG 71, Map ID: 25C.

I have communicated via Postal Mail with the Clerk of Court, Scott S. Harris, dating all the way back to March 19, 2025 A.D., to no avail. My Due Process was never afforded to myself, nor was my lawful remedy ever met, to date.

Per my original remedy claim, I am peacefully demanding Ownership of the land / parcel, with the housing Unit 13 resting upon it, including all of its structures and improvements upon the land / parcel and housing Unit 13, since January 22, 2025 A.D. to date.

Whereof, Claimant Ilhahi Ankaa Bey, Lienor / Creditor makes a peaceful command that the default of respondent(s) Juan Ortega, Michael Gilpin, Garrett M. Olsen, and Cecilia M. Altonaga be fully and duly noted for the permanent record and a Lawful Default Judgment be issued to remedy the matter in its entirety.

I declare under penalty of perjury that the foregoing is true and accurate to the best of my knowledge, information, belief and understanding, that my Lawful Suit Action claim is justly due to Claimant, and that no part thereof has been compensated to myself, to my knowing.

Ilhahi Ankaa Bey declares as follows:

1. I am the Claimant Lienor / Creditor in this Lawful Suit Action
2. This Lawful Suit Action was commenced pursuant to United States Republic Constitution and Federal Rules of Civil Procedure – Rule 55(a) and 55(d)
3. The time for respondent(s), Juan Ortega, Michael Gilpin, Garret M. Olsen, and Cecilia M. Altonaga, to answer or otherwise move with respect to the complaint herein has expired.
4. Respondent(s), Juan Ortega, Michael Gilpin, Garrett M. Olsen, and Cecilia M. Altonaga to answer or otherwise move has not been extended.
5. That respondent(s) Juan Ortega, Michael Gilpin, Garrett M. Olsen, and Cecilia M. Altonaga default has been noted by the Clerk of Court. A copy of the Default Judgment is attached hereto.

6. Respondent(s) Juan Ortega, Michael Gilpin, Garrett M. Olsen, and Cecilia M. Altonaga is indebted to the Claimant, Ilhahi Ankaa Bey, in the following manner:

Affidavit of Truth and Transfer of Inheritance Right

I, Ilhahi Ankaa Bey, have made several attempts over the past year to receive full remedy for a scam conducted against myself, on the premise of fraud and corporate conspiracy conducted by a collective part / body politic in question, surrounding the real property identified by Legal Description as: LOT 0620 BLK 2610 – SUN N LK SEB UNIT 13, PB 9 PG 71, Map ID: 25C, registered with the COUNTY OF HIGHLANDS, STATE OF FLORIDA, CLERK OF COURT.

After my having performed approximately three (3) full days of my personal and private, physical painting labor upon the housing Unit 13, resting upon land upon my ancestral land / estate, recorded in COUNTY OF HIGHLANDS, STATE OF FLORIDA Property Records as Parcel Number: C-04-34-28-130-2610-0620, I was lured to the property location under false pretense of having believed that I was being hired by a legitimate said ‘Contractor’ assigned to the real property to perform professional painting labor within the interior of the housing Unit 13, which was constructed upon the land / estate. Instead of being properly financially compensated the original 3,000.00 [\$USD] Federal Reserve Notes, as originally offered by the culprit(s), I was instead intentionally defrauded, which resulted in my personal injury that violated by birth-rights with malicious intent by all involved parties. The United States Codes of Law for my lawful remedy are as follows:

United States Codes of Law – Title 18, Chapter 77, Part 1 – Peonage, Slavery, and Trafficking in Persons

United States Codes of Law – Title 18, Section 1593A – Benefiting financially from peonage, slavery, and trafficking in persons (even if only intended)

United States Codes of Law – Title 18, Section 1589 – Forced Labor

I have spent months mailing correspondence between UNITED STATES DISTRICT COURTS, costing me mailing costs, paper printing costs, document scanning costs, time, traveling, and other associated costs to try to secure my right to Due Process. However, I ended up receiving no remedy, as the involved parties have refused to respond, including the most recent UNITED STATES DISTRICT COURT – SOUTHERN DISTRICT OF FLORIDA, where it is made public information that the said ‘Court’ handles cases for COUNTY OF HIGHLANDS, STATE OF FLORIDA for the public record.

Consequently, after waiting three (3) months, the UNITED STATES DISTRICT COURT – SOUTHERN DISTRICT OF FLORIDA blatantly ignored my Lawful Suit Action and Claim, by non-response. According to Rule 55 of the Federal Rules of Civil Procedure, which must be in harmony with the United States Republic Constitution, respondents (in this case Courts) have no more than five (5) weeks to respond to case submissions deemed for remedy.

As a truly injured party, I am inclined to exercise my Fifth Amendment right to Due Process, which has been clearly infringed upon by the said ‘Court’ that was supposed to lawfully handle my claim and provide for myself a Due Process remedy. With the said ‘Court’ failing to have done so, I am exercising my right to a Default Judgment entered into the permanent record in my favor.

At this time, I am making a peaceful command to secure my land as an Heir Apparent, with my being a direct bloodline descendant to the Aboriginal and Indigenous Al Moroccans / Moors at North America, also referred to politically as “American natives” and “American nationals” (* See Pope Francis General Civil Orders, issued June 2014 A.D. – <https://moroccanpress.net/wp-content/uploads/2025/03/Pope-Francis-General-Civil-Orders-Letter-2014.pdf>).

All substantive evidence and online exhibits to my Lawful Suit Action in this particular matter, can be reviewed and even downloaded here: <https://moroccanpress.net/home/legal-notices/new-legal-notice-3900-monza-drive-lien/> via a free press site for easy reference.

I am inclined to utilize a Transfer of Inheritance and Restoration of Right Writ to secure the land / parcel, upon which housing Unit 13 rests, with housing Unit 13, undamaged with all improvements included, awarded to myself by the Default Judgment, as lawful remedy to myself, as a rightful heir to the estate at North America / United States Republic. Such lawful remedy has been deemed appropriate in the matter, due to the many injuries I have suffered at the hands of corporate conspirators conducting fraud against myself, who operate on my land / estate, with prejudice against myself as an Heir Apparent to my inherited land.

WHEREFORE, Claimant Ilhahi Ankaa Bey makes a peaceful command that a Default Judgment be entered in favor of Claimant Ilhahi Ankaa Bey and against respondent(s) Juan Ortega, Michael Gilpin, Garrett M. Olsen, and Cecilia M. Altonaga.

I declare under penalty of perjury that the foregoing is true and accurate to the best of my knowledge, information, belief and understanding, that my Lawful Suit Action claim is justly due to Claimant, and that no part thereof has been compensated to myself, to my knowing, and that I am not subject to taxation since I am an Indigene / Indigenous to my land / estate for the permanent record.
